1. DO NOT TAKE ANY FOOD OR DRINK FOR SIX HOURS prior to the anaesthetic.
NO WATER
2. PLEASE WEAR LOOSE FITTING CLOTHING AND SHORT SLEEVES (e.g. t-shirt) for those procedures being performed in the office (so we can check your blood pressure).
3. Do not wear contact lenses.
4. Arrange for someone to drive you home. Do not operate a motor vehicle or machinery for 24 hours following the anaesthetic.
5. Please notify our office 48 hours in advance of any coughs or colds that may develop.
